Folded Veteran Flag

For families of veterans — provided free by the VA, installed by us.

How It Works

Families of veterans can request a bronze folded-flag emblem from the Department of Veterans Affairs at no cost. The VA mails the emblem to the monument company, and we install it on the columbarium — mounted above the bronze plaque — like other separate memorial pieces.

- **Available for All Branches**

Army, Navy, Marines, Air Force, Space Force, Coast Guard

- **Provided Free by the VA**

No charge for the emblem itself

- **Mounted Above the Plaque**

A separate piece, like the porcelain photo

Porcelain Photo

A separate piece — mounted above the bronze plaque.

A Separate Memorial Piece

The rectangular porcelain photo is an independent item that attaches to the columbarium above the bronze plaque. It is not part of the plaque and is purchased separately.
